

## DEVELOPMENT SERVICES DEPARTMENT

### Right Of Way Permitting

### Permit Fee Schedule

Fees are required to supplement the costs associated with reviewing and processing Right of Way Use Permit applications and the inspection of work performed. Fees for right of way use permits are set by the Hillsborough County Board of County Commissioners and shall be paid by the permittee upon submission and approval of the ROW Use Permit application. Checks, money orders, cash, or other acceptable forms of payment will be made payable to the **Hillsborough County Board of County Commissioners** for the exact fee amount. Payments shall be made through the cashier located at "The Center" for development Services located on the 19<sup>th</sup> Floor of the County Center Building at 601 E. Kennedy Blvd. Tampa, Florida.

For more information about fees, please contact a member of the Right of Way Permitting staff.

#### BASE APPLICATION FEE

The base application fee is intended to supplement the county's cost associated with the clerical, administrative, and engineering cost to process each permit, regardless of the permit application's approval or disapproval.

- All permit application requests require a \$50 base fee.

\$50
