

The following data shows Hillsborough County's minority and small business utilization over the last five years. The graphs show trends in construction, CCNA and PCard spending, the areas where our certified minority and small businesses do most of their business, and in spending by vendor group over time. Following these graphs, are graphs depicting the number and dollar value of SBE contracts, as well as, a chart containing information on the number of new MBE/SBE firms joining the programs each year.

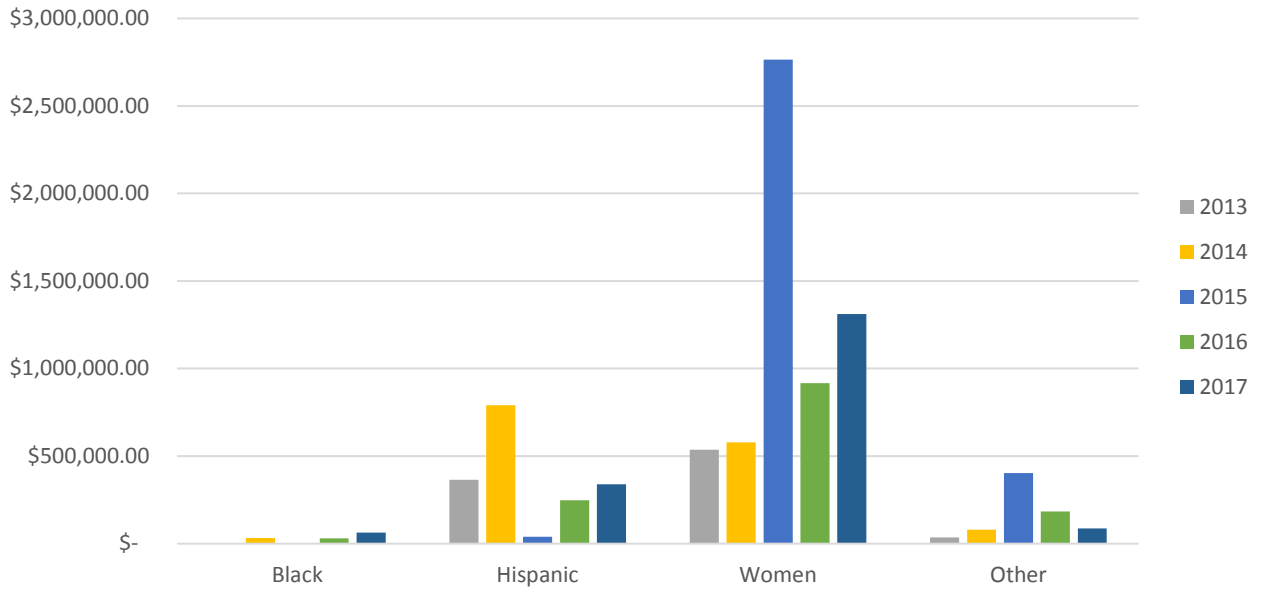

For more information, contact Theresa Kempa, Manager, MBE & SBE Programs, [kempat@hcfl.gov](mailto:kempat@hcfl.gov) or (813) 276-2729.
