51 located within Hillsborough County and the City of Tampa to
 52 provide for a more comprehensive community development approach,
 53 which will facilitate an integral relationship among
 54 transportation, land use, and urban design to provide for a
 55 diverse mix of housing, regional employment, and economic
 56 development opportunities, rather than fragmented development
 57 with underutilized infrastructure generally associated with
 58 urban sprawl.

59 (c) The establishment of a special and limited purpose
 60 independent special district for the Water Street Tampa
 61 Improvement District lands will allow the construction and
 62 management of a substantial commercial and mixed-use district
 63 with more than 2 million square feet of new office space,
 64 including the first new office towers in downtown Tampa in
 65 nearly 25 years; 1 million square feet of new retail, cultural,
 66 educational, and entertainment space that complement the active
 67 pedestrian experience at the street level; and new and enhanced
 68 park and public gathering places that will connect existing
 69 cultural, entertainment, and community anchors, including the
 70 Tampa Convention Center, Amalie Arena, Tampa Bay History Center,
 71 Florida Aquarium, and Tampa Riverwalk.

72 (d) The Water Street Tampa Improvement District will
 73 promote a high standard for wellness and sustainability in the
 74 built environment by being the world's first WELL-certified
 75 community under the WELL Community Standard. This standard

BILL

76 | presently focuses on seven comprehensive concepts impacting and
 77 | influencing human behaviors related to health and well-being,
 78 | including strategies to reduce or minimize sources of indoor air
 79 | pollution; promoting high quality water and improved
 80 | accessibility; limiting the presence of unhealthy foods and the
 81 | encouragement of better food culture; promoting lighting systems
 82 | designed to increase alertness, enhance experience, and promote
 83 | sleep; encouraging the integration of exercise and fitness into
 84 | everyday life; creating distraction-free, productive, and
 85 | comfortable indoor environments; optimizing cognitive and
 86 | emotional health through design, technology, and treatment
 87 | strategies; and encouraging innovation by allowing projects to
 88 | submit ideas for new features under WELL concepts. It is in the
 89 | public interest that the long-range provision for, and
 90 | management, financing, and long-term maintenance, upkeep, and
 91 | operation of, services and facilities to be provided for
 92 | ultimate development of the Water Street Tampa Improvement
 93 | District lands be under one coordinated entity.

94 | (e) There is a considerably long period of time during
 95 | which there is a significant burden to provide various systems,
 96 | facilities, and services on the initial landowners of the Water
 97 | Street Tampa Improvement District lands, such that there is a
 98 | need for flexible management, sequencing, timing, and financing
 99 | of the various systems, facilities, and services to be provided
 100 | to these lands, taking into consideration absorption rates,

101 commercial viability, and related factors. Therefore, extended
 102 control by the initial landowner with regard to the provision of
 103 systems, facilities, and services for the Water Street Tampa
 104 Improvement District lands, coupled with the special and limited
 105 purpose of such district, is in the public interest.

106 (f) The existence and use of an independent special
 107 district for the Water Street Tampa Improvement District lands,
 108 subject to the City of Tampa comprehensive plan, will provide
 109 for a comprehensive and complete community development approach
 110 to promote a sustainable and efficient land use pattern for the
 111 district lands with long-term planning to provide opportunities
 112 for the mitigation of impacts and development of infrastructure
 113 in an orderly and timely manner; prevent the overburdening of
 114 the local general purpose government and the taxpayers therein;
 115 and provide an enhanced tax base and regional employment and
 116 economic development opportunities.

117 (g) The creation and establishment of the special district
 118 will encourage local government financial self-sufficiency in
 119 providing public facilities and in identifying and implementing
 120 fiscally sound, innovative, and cost-effective techniques to
 121 provide and finance public facilities while encouraging
 122 coordinated development of capital improvement plans by all
 123 levels of government, in accordance with the goals of chapter
 124 187, Florida Statutes.

125 (h) The creation and establishment of the special district
 126 will encourage and enhance cooperation among communities that

 129 an orderly and economically sound plan for current and future
 130 needs and growth.

131 (i) The creation and establishment of a special and
 132 limited purpose independent special district is a legitimate
 133 supplemental and alternative method available to manage, own,
 134 operate, construct, reconstruct, and finance capital
 135 infrastructure systems, facilities, and services.

136 (j) In order to be responsive to the critical timing
 137 required through the exercise of its special management
 138 functions, an independent special district requires the
 139 authority to finance capital improvements payable from and
 140 secured by lienable and nonlienable revenues, with full and
 141 continuing public disclosure and accountability, payable by the
 142 benefitted landowners, both present and future, and by users of
 143 the systems, facilities, improvements, and services provided to
 144 the land area by the special district, without unduly burdening
 145 the taxpayers and citizens of the state, Hillsborough County, or
 146 the City of Tampa.

147 (k) The special district created and established by this
 148 act shall not have or exercise any comprehensive planning,
 149 zoning, or development permitting power; the establishment of

 664 organization; powers; duties; terms of office; related election
 665 requirements.-

666 (1) The board of the district shall exercise the powers
 667 granted to the district pursuant to this act. The board shall

668 consist of five members, each of whom shall hold office for a
669 term of 4 years, as provided in this section, except as
670 otherwise provided herein for initial board members.
671 Notwithstanding anything herein to the contrary, a board member
672 will continue to serve beyond his or her term until a successor
673 is chosen and qualified. The members of the board must be
674 residents of the state and citizens of the United States.

675 (2) (a) Within 90 days after the effective date of this
676 act, there shall be held a meeting of the landowners of the
677 district for the purpose of electing five supervisors for the
678 district. Notice of the landowners' meeting shall be published
679 once a week for 2 consecutive weeks in a newspaper that is in
680 general circulation in the area of the district, the last day of
681 such publication to be not fewer than 14 days nor more than 28
682 days before the date of the election. The landowners, when
683 assembled at such meeting, shall organize by electing a chair,
684 who shall conduct the meeting. The chair may be any person
685 present at the meeting. If the chair is a landowner or proxy
686 holder of a landowner, he or she may nominate candidates and

694 (b) At such meeting, each landowner shall be entitled to
 695 cast one vote per acre of land owned by him or her and located
 696 within the district for each person to be elected. A landowner
 697 may vote in person or by proxy in writing. Each proxy must be
 698 signed by one of the legal owners of the property for which the
 699 vote is cast and must contain the typed or printed name of the
 700 individual who signed the proxy; the street address, legal
 701 description of the property, or tax parcel identification
 702 number; and the number of authorized votes. If the proxy
 703 authorizes more than one vote, each property must be listed and
 704 the number of acres of each property must be included. The
 705 signature on a proxy need not be notarized. A fraction of an
 706 acre shall be treated as 1 acre, entitling the landowner to one
 707 vote with respect thereto. The three candidates receiving the
 708 highest number of votes shall each be elected for terms expiring
 709 November 15, 2022, and the two candidates receiving the next
 710 largest number of votes shall each be elected for terms expiring
 711 November 17, 2020, with the term of office for each successful
 712 candidate commencing upon election. The members of the first
 713 board elected by landowners shall serve their respective terms;
 714 however, the next election of board members shall be held on the
 715 first Tuesday after the first Monday in November 2020.
 716 Thereafter, there shall be an election by landowners for the

717 district every 2 years on the first Tuesday after the first

 720 announced at a public meeting of the board at least 90 days
 721 before the date of the landowners' meeting and shall also be
 722 noticed pursuant to paragraph (a). Instructions on how all
 723 landowners may participate in the election, along with sample
 724 proxies, shall be provided during the board meeting that
 725 announces the landowners' meeting. Each supervisor elected in or
 726 after November 2018 shall serve a 4-year term.

727 (3) Members of the board, regardless of how elected, shall
 728 be public officers, shall be known as supervisors, and, upon
 729 entering into office, shall take and subscribe to the oath of
 730 office as prescribed by s. 876.05, Florida Statutes. Members of

 732 laws of the state that apply to all local public officers.
 733 Members of the board shall hold office for the terms for which

 735 chosen and qualified. If, during the term of office, a vacancy
 736 occurs on the board, the remaining members of the board shall
 737 fill each vacancy by an appointment for the remainder of the
 738 unexpired term.

739 (4) Any elected member of the board of supervisors may be

742 imposed upon him or her by this act, and any vacancies that may
 743 occur in such office for such reasons shall be filled by the
 744 Governor as soon as practicable.

745 (5) A majority of the members of the board constitutes a
 746 quorum for the purposes of conducting its business and
 747 exercising its powers and for all other purposes. Action taken
 748 by the district shall be upon a vote of a majority of the
 749 members present unless general law or a rule of the district
 750 requires a greater number.

751 (6) As soon as practicable after each election or
 752 appointment, the board shall organize by electing one of its
 753 members as chair and by electing a secretary, who need not be a
 754 member of the board, and such other officers as the board may
 755 deem necessary.

756 (7) The board shall keep a permanent record book entitled
 757 "Record of Proceedings of Water Street Tampa Improvement
 758 District," in which shall be recorded minutes of all meetings,
 759 resolutions, proceedings, certificates, bonds given by all
 760 employees, and any and all corporate acts. The record book and
 761 all other district records shall at reasonable times be opened

 782 under chapter 112, Florida Statutes, for a board member, the
 783 district manager, or another employee of the district to be a
 784 stockholder, officer, or employee of a landowner. The district
 785 manager may hire or otherwise employ and terminate the

 1312 in accordance with the Registered Public Obligations Act, except
 1313 that bonds not issued in registered form shall be valid if
 1314 manually countersigned by an officer designated by appropriate
 1315 resolution of the board. The seal of the district may be
 1316 affixed, lithographed, engraved, or otherwise reproduced in
 1317 facsimile on such bonds. In case any officer whose signature
 1318 shall appear on any bonds or coupons shall cease to be such
 1319 officer before the delivery of such bonds, such signature or
 1320 facsimile shall nevertheless be valid and sufficient for all
 1321 purposes as if he or she had remained in office until such
 1322 delivery.

1323 (c) Interim certificates; replacement certificates.—

 1325 interim certificates or receipts or temporary bonds, in such
 1326 form and with such provisions as the board may determine,
 1327 exchangeable for definitive bonds when such bonds have been
 1328 executed and are available for delivery. The board may also
 1329 provide for the replacement of any bonds which become mutilated,

 1339 the holders of any of the bonds and obligations of the district
 1340 in any revenues, funds, or other properties by which such bonds
 1341 are secured as the board deems appropriate and, without
 1342 limitation on the foregoing, may provide that when such bonds or
 1343 obligations become due and payable or shall have been called for
 1344 redemption and the whole amount of the principal and interest
 1345 and premium, if any, due and payable upon the bonds or
 1346 obligations then outstanding shall be held in trust for such
 1347 purpose, and provision shall also be made for paying all other

1366 (g) Refunding bonds.—The district is authorized to issue
 1367 bonds to provide for the retirement or refunding of any bonds or
 1368 obligations of the district that at the time of such issuance
 1369 are or subsequent thereto become due and payable, or that at the
 1370 time of issuance have been called or are, or will be, subject to
 1371 call for redemption within 10 years thereafter, or the surrender
 1372 of which can be procured from the holders thereof at prices

 1375 advantageous to the district. No approval of the landowners in
 1376 the district shall be required for the issuance of refunding

 1384 revenues of any project or on pledged funds, without
 1385 extinguishment, impairment, or diminution thereof. The
 1386 provisions of this act pertaining to bonds of the district
 1387 shall, unless the context otherwise requires, govern the
 1388 issuance of refunding bonds, the form and other details thereof,
 1389 the rights of the holders thereof, and the duties of the board
 1390 with respect to such bonds.

1391 (h) Revenue bonds.—

1392 1. The district shall have the power to issue revenue
 1393 bonds from time to time without limitation as to amount. Such
 1394 revenue bonds may be secured by, or payable from, the gross or
 1395 net pledge of the revenues to be derived from any project or
 1396 combination of projects; from the rates, fees, or other charges
 1397 to be collected from the users of any project or projects; from
 1398 any revenue-producing undertaking or activity of the district;
 1399 from special assessments; from benefit special assessments; or
 1400 from any other source or pledged security. Such bonds shall not
 1401 constitute an indebtedness of the district, and the approval of
 1402 the landowners shall not be required unless such bonds are
 1403 additionally secured by the full faith and credit and taxing
 1404 power of the district.

1405 2. Any two or more projects may be combined and
 1406 consolidated into a single project and may hereafter be operated
 1407 and maintained as a single project. The revenue bonds authorized

BILL

Redraft - A

YEAR

1408 herein may be issued to finance any one or more of such
 1409 projects, regardless of whether or not such projects have been
 1410 combined and consolidated into a single project. If the board
 1411 deems it advisable, the proceedings authorizing such revenue
 1412 bonds may provide that the district may thereafter combine the
 1413 projects then being financed or theretofore financed with other
 1414 projects to be subsequently financed by the district and that
 1415 revenue bonds to be thereafter issued by the district shall be
 1416 on parity with the revenue bonds then being issued, all on such
 1417 terms, conditions, and limitations as shall have been provided
 1418 in the proceeding which authorized the original bonds.

1419 (i) General obligation bonds.—

1420 1. Subject to the limitations of this charter, the
 1421 district shall have the power from time to time to issue general
 1422 obligation bonds to finance or refinance capital projects or to
 1423 refund outstanding bonds in an aggregate principal amount of
 1424 bonds outstanding at any one time not in excess of 35 percent of
 1425 the assessed value of the taxable property within the district
 1426 as shown on the pertinent tax records at the time of the
 1427 authorization of the general obligation bonds for which the full
 1428 faith and credit of the district is pledged. Except for
 1429 refunding bonds, no general obligation bonds shall be issued
 1430 unless the bonds are issued to finance or refinance a capital
 1431 project and the issuance has been approved at an election held
 1432 in accordance with the requirements for such election as

BILL

Redraft - A

YEAR

1433 prescribed by the State Constitution. Such elections shall be
 1434 called to be held in the district by the Board of County
 1435 Commissioners of Hillsborough County upon the request of the
 1436 board of the district. The expenses of calling and holding an
 1437 election shall be at the expense of the district and the
 1438 district shall reimburse the county for any expenses incurred in
 1439 calling or holding such election.

1440 2. The district may pledge its full faith and credit for
 1441 the payment of the principal and interest on such general
 1442 obligation bonds and for any reserve funds provided therefor and
 1443 may unconditionally and irrevocably pledge itself to levy ad
 1444 valorem taxes on all taxable property in the district, to the
 1445 extent necessary for the payment thereof, without limitation as
 1446 to rate or amount.

1447 3. If the board determines to issue general obligation
 1448 bonds for more than one capital project, the approval of the
 1449 issuance of the bonds for each and all such projects may be
 1450 submitted to the electors on one and the same ballot, if
 1451 permitted by applicable law. The failure of the electors to
 1452 approve the issuance of bonds for any one or more capital
 1453 projects shall not defeat the approval of bonds for any capital
 1454 project which has been approved by the electors.

1455 4. In arriving at the amount of general obligation bonds
 1456 permitted to be outstanding at any one time pursuant to

BILL

Redraft - A

YEAR

1457 subparagraph 1., there shall not be included any general
 1458 obligation bonds that are additionally secured by the pledge of:
 1459 a. Any assessments levied in an amount sufficient to pay
 1460 the principal and interest on the general obligation bonds so
 1461 additionally secured, which assessments have been equalized and
 1462 confirmed by resolution of the board pursuant to this act or s.
 1463 170.08, Florida Statutes.
 1464 b. Water revenues, sewer revenues, or water and sewer
 1465 revenues of the district to be derived from user fees in an
 1466 amount sufficient to pay the principal and interest on the
 1467 general obligation bonds so additionally secured.
 1468 c. Any combination of assessments and revenues described
 1469 in sub-subparagraphs a. and b.
 1470 (j) Bonds as legal investment or security.-
 1471 1. Notwithstanding any provisions of any other law to the
 1472 contrary, all bonds issued under the provisions of this act
 1473 shall constitute legal investments for savings banks, banks,
 1474 trust companies, insurance companies, executors, administrators,
 1475 trustees, guardians, and other fiduciaries and for any board,
 1476 body, agency, instrumentality, county, municipality, or other
 1477 political subdivision of the state and shall be and constitute
 1478 security which may be deposited by banks or trust companies as
 1479 security for deposits of state, county, municipal, or other
 1480 public funds or by insurance companies as required or voluntary
 1481 statutory deposits.

BILL

1482 2. Any bonds issued by the district shall be incontestable
 1483 in the hands of bona fide purchasers or holders for value and
 1484 shall not be invalid because of any irregularity or defect in
 1485 the proceedings for the issue and sale thereof.

1486 (k) Covenants.—Any resolution authorizing the issuance of
 1487 bonds may contain such covenants as the board may deem
 1488 advisable, and all such covenants shall constitute valid and
 1489 legally binding and enforceable contracts between the district
 1490 and the bondholders, regardless of the time of issuance thereof.
 1491 Such covenants may include, without limitation, covenants
 1492 concerning the disposition of the bond proceeds; the use and
 1493 disposition of project revenues; the pledging of revenues,
 1494 taxes, and assessments; the obligations of the district with
 1495 respect to the operation of the project and the maintenance of
 1496 adequate project revenues; the issuance of additional bonds; the
 1497 appointment, powers, and duties of trustees and receivers; the
 1498 acquisition of outstanding bonds and obligations; restrictions
 1499 on the establishing of competing projects or facilities;
 1500 restrictions on the sale or disposal of the assets and property
 1501 of the district; the priority of assessment liens; the priority
 1502 of claims by bondholders on the taxing power of the district;
 1503 the maintenance of deposits to ensure the payment of revenues by
 1504 users of district facilities and services; the discontinuance of
 1505 district services by reason of delinquent payments; acceleration
 1506 upon default; the execution of necessary instruments; the

1507 procedure for amending or abrogating covenants with the
 1508 bondholders; and such other covenants as may be deemed necessary
 1509 or desirable for the security of the bondholders.

1510 (l) Validation proceedings.—The power of the district to
 1511 issue bonds under the provisions of this act may be determined,
 1512 and any of the bonds of the district maturing over a period of
 1513 more than 5 years shall be validated and confirmed, by court
 1514 decree, under the provisions of chapter 75, Florida Statutes,
 1515 and laws amendatory thereof or supplementary thereto.

1516 (m) Tax exemption.—To the extent allowed by general law,
 1517 all bonds issued hereunder and interest paid thereon and all
 1518 fees, charges, and other revenues derived by the district from
 1519 the projects provided by this act are exempt from all taxes by
 1520 the state or by any political subdivision, agency, or
 1521 instrumentality thereof; however, any interest, income, or
 1522 profits on debt obligations issued hereunder are not exempt from
 1523 the tax imposed by chapter 220, Florida Statutes. Further, the
 1524 district is not exempt from the provisions of chapter 212,
 1525 Florida Statutes.

1526 (n) Application of s. 189.051, Florida Statutes.—Bonds
 1527 issued by the district shall meet the criteria set forth in s.
 1528 189.051, Florida Statutes.

1529 (o) Act furnishes full authority for issuance of bonds.—
 1530 This act constitutes full and complete authority for the
 1531 issuance of bonds and the exercise of the powers of the district

BILL

1532 provided herein. No procedures or proceedings, publications,
 1533 notices, consents, approvals, orders, acts, or things by the
 1534 board, or any board, officer, commission, department, agency, or
 1535 instrumentality of the district, other than those required by
 1536 this act, shall be required to perform anything under this act,
 1537 except that the issuance or sale of bonds pursuant to the
 1538 provisions of this act shall comply with the general law
 1539 requirements applicable to the issuance or sale of bonds by the
 1540 district. Nothing in this act shall be construed to authorize
 1541 the district to utilize bond proceeds to fund the ongoing
 1542 operations of the district.

1543 (p) Pledge by the state to the bondholders of the
 1544 district.—The state pledges to the holders of any bonds issued
 1545 under this act that it will not limit or alter the rights of the
 1546 district to own, acquire, construct, reconstruct, improve,
 1547 maintain, operate, or furnish the projects or to levy and
 1548 collect the taxes, assessments, rentals, rates, fees, and other
 1549 charges provided for herein and to fulfill the terms of any
 1550 agreement made with the holders of such bonds or other
 1551 obligations and that it will not in any way impair the rights or
 1552 remedies of such holders.

1553 (q) Default.—A default on the bonds or obligations of the
 1554 district shall not constitute a debt or obligation of the state
 1555 or any general-purpose local government or the state. In the
 1556 event of a default or dissolution of the district, no local

1557 general-purpose government shall be required to assume the
 1558 property of the district, the debts of the district, or the
 1559 district's obligations to complete any infrastructure
 1560 improvements or provide any services to the district. The
 1561 provisions of s. 189.076(2), Florida Statutes, shall not apply
 1562 to the district.

1563 (11) TRUST AGREEMENTS.—Any issue of bonds shall be secured
 1564 by a trust agreement or resolution by and between the district
 1565 and a corporate trustee or trustees, which may be any trust
 1566 company or bank having the powers of a trust company within or
 1567 without the state. The resolution authorizing the issuance of
 1568 the bonds or such trust agreement may pledge the revenues to be
 1569 received from any projects of the district and may contain such
 1570 provisions for protecting and enforcing the rights and remedies
 1571 of the bondholders as the board may approve, including, without
 1572 limitation, covenants setting forth the duties of the district
 1573 in relation to the acquisition, construction, reconstruction,
 1574 improvement, maintenance, repair, operation, and insurance of
 1575 any projects; the fixing and revising of the rates, fees, and
 1576 charges; and the custody, safeguarding, and application of all
 1577 moneys and for the employment of consulting engineers in
 1578 connection with such acquisition, construction, reconstruction,
 1579 improvement, maintenance, repair, operation, or insurance. It
 1580 shall be lawful for any bank or trust company within or without
 1581 the state which may act as a depository of the proceeds of bonds

 1583 such securities as may be required by the district. Such
 1584 resolution or trust agreement may set forth the rights and
 1585 remedies of the bondholders and of the trustee, if any, and may
 1586 restrict the individual right of action by bondholders. The
 1587 board may provide for the payment of proceeds of the sale of the
 1588 bonds and the revenues of any project to such officer, board, or
 1589 depository as it may designate for the custody thereof and may
 1590 provide for the method of disbursement thereof with such
 1591 safeguards and restrictions as it may determine. All expenses
 1592 incurred in carrying out the provisions of such resolution or
 1593 trust agreement may be treated as part of the cost of operation
 1594 of the project to which such trust agreement pertains.

1595 (12) AD VALOREM TAXES; ASSESSMENTS, BENEFIT SPECIAL
 1596 ASSESSMENTS, MAINTENANCE SPECIAL ASSESSMENTS, AND SPECIAL
 1597 ASSESSMENTS; MAINTENANCE TAXES.—

1598 (a) Ad valorem taxes.—The board shall have the power to
 1599 levy and assess an ad valorem tax on all the taxable property in
 1600 the district to construct, operate, and maintain assessable
 1601 improvements; to pay the principal of, and interest on, any
 1602 general obligation bonds of the district; and to provide for any
 1603 sinking or other funds established in connection with any such
 1604 bonds. An ad valorem tax levied by the board for operating
 1605 purposes, exclusive of debt service on bonds, shall not exceed 3
 1606 mills. The ad valorem tax provided for herein shall be in

BILL

Redraft - A

YEAR

1607 addition to county and all other ad valorem taxes provided for
 1608 by law. Such tax shall be assessed, levied, and collected in the
 1609 same manner and at the same time as county taxes. The levy of ad
 1610 valorem taxes must be approved by referendum as required by
 1611 Section 9 of Article VII of the State Constitution.

1612 (b) Benefit special assessments.—The board annually shall
 1613 determine, order, and levy the annual installment of the total
 1614 benefit special assessments for bonds issued and related
 1615 expenses to finance assessable improvements. These assessments
 1616 may be due and collected during each year county taxes are due
 1617 and collected, in which case such annual installment and levy
 1618 shall be evidenced and certified to the property appraiser by
 1619 the board not later than August 31 of each year. Such assessment
 1620 shall be entered by the property appraiser on the county tax
 1621 rolls and shall be collected and enforced by the tax collector
 1622 in the same manner and at the same time as county taxes, and the
 1623 proceeds thereof shall be paid to the district. However, this
 1624 subsection shall not prohibit the district in its discretion
 1625 from using the method prescribed in s. 197.3632, Florida
 1626 Statutes, or chapter 173, Florida Statutes, for collecting and
 1627 enforcing these assessments. Each annual installment of benefit
 1628 special assessments shall be a lien on the property against
 1629 which assessed until paid and shall be enforceable in like
 1630 manner as county taxes. The amount of the assessment for the
 1631 exercise of the district's powers under subsections (6) and (7)

BILL

Redraft - A

YEAR

1632 shall be determined by the board based upon a report of the
 1633 district's engineer and assessed by the board upon such lands,
 1634 which may be part or all of the lands within the district
 1635 benefited by the improvement, apportioned between benefited
 1636 lands in proportion to the benefits received by each tract of
 1637 land. The board may, if it determines it is in the best
 1638 interests of the district, set forth in the proceedings
 1639 initially levying such benefit special assessments or in
 1640 subsequent proceedings a formula for the determination of an
 1641 amount, which when paid by a taxpayer with respect to any tax
 1642 parcel, shall constitute a prepayment of all future annual
 1643 installments of such benefit special assessments and that the
 1644 payment of which amount with respect to such tax parcel shall
 1645 relieve and discharge such tax parcel of the lien of such
 1646 benefit special assessments and any subsequent annual
 1647 installment thereof. The board may provide further that upon
 1648 delinquency in the payment of any annual installment of benefit
 1649 special assessments, the prepayment amount of all future annual
 1650 installments of benefit special assessments as determined in the
 1651 preceding sentence shall be and become immediately due and
 1652 payable together with such delinquent annual installment.

1653 (c) Non-ad valorem maintenance taxes.—If and when
 1654 authorized by general law, to maintain and to preserve the
 1655 physical facilities and services constituting the works,
 1656 improvements, or infrastructure owned by the district pursuant

BILL

Redraft - A

YEAR

1657 to this act, to repair and restore any one or more of them, when
 1658 needed, and to defray the current expenses of the district,
 1659 including any sum which may be required to pay state and county
 1660 ad valorem taxes on any lands which may have been purchased and
 1661 which are held by the district under the provisions of this act,
 1662 the board of supervisors may, upon the completion of said
 1663 systems, facilities, services, works, improvements, or
 1664 infrastructure, in whole or in part, as may be certified to the
 1665 board by the engineer of the board, levy annually a non-ad
 1666 valorem and nonmillage tax upon each tract or parcel of land
 1667 within the district, to be known as a "maintenance tax." This
 1668 non-ad valorem maintenance tax shall be apportioned upon the
 1669 basis of the net assessments of benefits assessed as accruing
 1670 from the original construction and shall be evidenced to and
 1671 certified by the board of supervisors of the district by June 1
 1672 of each year to the Hillsborough County tax collector and shall
 1673 be extended on the tax rolls and collected by the tax collector
 1674 on the merged collection roll of the tax collector in the same
 1675 manner and at the same time as county ad valorem taxes, and the
 1676 proceeds therefrom shall be paid to the district. This non-ad
 1677 valorem maintenance tax shall be a lien until paid on the
 1678 property against which assessed and enforceable in like manner
 1679 and of the same dignity as county ad valorem taxes.

1680 (d) Maintenance special assessments.—To maintain and
 1681 preserve the facilities and projects of the district, the board

BILL

Redraft - A

YEAR

1682 may levy a maintenance special assessment. This assessment may
 1683 be evidenced to and certified to the tax collector by the board
 1684 of supervisors by August 31 of each year and shall be entered by
 1685 the property appraiser on the county tax rolls and shall be
 1686 collected and enforced by the tax collector in the same manner
 1687 and at the same time as county taxes, and the proceeds therefrom
 1688 shall be paid to the district. However, this subsection shall
 1689 not prohibit the district in its discretion from using the
 1690 method prescribed in s. 197.363, s. 197.3631, or s. 197.3632,
 1691 Florida Statutes, for collecting and enforcing these
 1692 assessments. These maintenance special assessments shall be a
 1693 lien on the property against which assessed until paid and shall
 1694 be enforceable in like manner as county taxes. The amount of the
 1695 maintenance special assessment for the exercise of the
 1696 district's powers under this section shall be determined by the
 1697 board based upon a report of the district's engineer and
 1698 assessed by the board upon such lands, which may be all of the
 1699 lands within the district benefited by the maintenance thereof,
 1700 apportioned between the benefited lands in proportion to the
 1701 benefits received by each tract of land.

1702 (e) Special assessments.—The board may levy and impose any
 1703 special assessments pursuant to this subsection.

1704 (f) Enforcement of taxes.—The collection and enforcement
 1705 of all taxes levied by the district shall be at the same time
 1706 and in like manner as county taxes, and the provisions of

BILL

Redraft - A

YEAR

1707 general law relating to the sale of lands for unpaid and
 1708 delinquent county taxes; the issuance, sale, and delivery of tax
 1709 certificates for such unpaid and delinquent county taxes; the
 1710 redemption thereof; the issuance to individuals of tax deeds
 1711 based thereon; and all other procedures in connection therewith
 1712 shall be applicable to the district to the same extent as if
 1713 such statutory provisions were expressly set forth herein. All
 1714 taxes shall be subject to the same discounts as county taxes.

1715 (g) When unpaid tax is delinquent; penalty.—All taxes
 1716 provided for in this act shall become delinquent and bear
 1717 penalties on the amount of such taxes in the same manner as
 1718 county taxes.

1719 (h) Status of assessments.—Benefit special assessments,
 1720 maintenance special assessments, and special assessments are
 1721 hereby found and determined to be non-ad valorem assessments as
 1722 defined in s. 197.3632, Florida Statutes. Maintenance taxes are
 1723 non-ad valorem taxes and are not special assessments.

1724 (i) Assessments constitute liens; collection.—Any and all
 1725 assessments, including special assessments, benefit special
 1726 assessments, and maintenance special assessments authorized by
 1727 this section, and including special assessments as defined in
 1728 section 2(2) and granted and authorized by this subsection, and
 1729 including maintenance taxes if authorized by general law, shall
 1730 constitute a lien on the property against which assessed from
 1731 the date of levy and imposition thereof until paid, coequal with

BILL

Redraft - A

YEAR

1732 the lien of state, county, municipal, and school board taxes.
 1733 These assessments may be collected, at the district's
 1734 discretion, under authority of s. 197.3631, Florida Statutes, by
 1735 the tax collector pursuant to the provisions of ss. 197.3632 and
 1736 197.3635, Florida Statutes, or in accordance with other
 1737 collection measures provided by law. In addition to, and not in
 1738 limitation of, any powers otherwise set forth herein or in
 1739 general law, these assessments may also be enforced pursuant to
 1740 the provisions of chapter 173, Florida Statutes.

1741 (j) Land owned by governmental entity.—Except as otherwise
 1742 provided by law, no levy of ad valorem taxes or non-ad valorem
 1743 assessments under this act, chapter 170 or chapter 197, Florida
 1744 Statutes, or otherwise by a board of the district, on property
 1745 of a governmental entity that is subject to a ground lease as
 1746 described in s. 190.003(14), Florida Statutes, shall constitute
 1747 a lien or encumbrance on the underlying fee interest of such
 1748 governmental entity.

1749 (13) SPECIAL ASSESSMENTS.—

1750 (a) As an alternative method to the levy and imposition of
 1751 special assessments pursuant to chapter 170, Florida Statutes,
 1752 pursuant to the authority of s. 197.3631, Florida Statutes, or
 1753 pursuant to other provisions of general law, now or hereafter
 1754 enacted, which provide a supplemental means or authority to
 1755 impose, levy, and collect special assessments as otherwise
 1756 authorized under this act, the board may levy and impose special

BILL

1757 assessments to finance the exercise of any of its powers
 1758 permitted under this act using the following uniform procedures:
 1759 1. At a noticed meeting, the board of supervisors of the
 1760 district may consider and review an engineer's report on the
 1761 costs of the systems, facilities, and services to be provided; a
 1762 preliminary special assessment methodology; and a preliminary
 1763 roll based on acreage or platted lands, depending upon whether
 1764 platting has occurred.
 1765 a. The special assessment methodology shall address and
 1766 discuss and the board shall consider whether the systems,
 1767 facilities, and services being contemplated will result in
 1768 special benefits peculiar to the property, different in kind and
 1769 degree than general benefits, as a logical connection between
 1770 the systems, facilities, and services themselves and the
 1771 property, and whether the duty to pay the special assessments by
 1772 the property owners is apportioned in a manner that is fair and
 1773 equitable and not in excess of the special benefit received. It
 1774 shall be fair and equitable to designate a fixed proportion of
 1775 the annual debt service, together with interest thereon, on the
 1776 aggregate principal amount of bonds issued to finance such
 1777 systems, facilities, and services which give rise to unique,
 1778 special, and peculiar benefits to property of the same or
 1779 similar characteristics under the special assessment methodology
 1780 so long as such fixed proportion does not exceed the unique,

1781 special, and peculiar benefits enjoyed by such property from
 1782 such systems, facilities, and services.

1783 b. The engineer's cost report shall identify the nature of
 1784 the proposed systems, facilities, and services, their location,
 1785 a cost breakdown plus a total estimated cost, including cost of
 1786 construction or reconstruction, labor, and materials, lands,
 1787 property, rights, easements, franchises, or systems, facilities,
 1788 and services to be acquired, cost of plans and specifications,
 1789 surveys of estimates of costs and revenues, costs of
 1790 engineering, legal, and other professional consultation
 1791 services, and other expenses or costs necessary or incident to
 1792 determining the feasibility or practicability of such
 1793 construction, reconstruction, or acquisition, administrative
 1794 expenses, relationship to the authority and power of the
 1795 district in its charter, and such other expenses or costs as may
 1796 be necessary or incident to the financing to be authorized by
 1797 the board of supervisors.

1798 c. The preliminary special assessment roll will be in
 1799 accordance with the assessment methodology as may be adopted by
 1800 the board of supervisors; the special assessment roll shall be
 1801 completed as promptly as possible and shall show the acreage,
 1802 lots, lands, or plats assessed and the amount of the fairly and
 1803 reasonably apportioned assessment based on special and peculiar
 1804 benefit to the property, lot, parcel, or acreage of land; and,
 1805 if the special assessment against such lot, parcel, acreage, or

 1807 annual installments in which the special assessment is divided
 1808 shall be entered into and shown upon the special assessment
 1809 roll.

1810 2. The board of supervisors of the district may determine
 1811 and declare by an initial special assessment resolution to levy
 1812 and assess the special assessments with respect to assessable
 1813 improvements stating the nature of the systems, facilities, and
 1814 services, improvements, projects, or infrastructure constituting
 1815 such assessable improvements, the information in the engineer's
 1816 cost report, the information in the special assessment
 1817 methodology as determined by the board at the noticed meeting
 1818 and referencing and incorporating as part of the resolution the
 1819 engineer's cost report, the preliminary special assessment

 1823 initial special assessment resolution, the board shall also
 1824 adopt and declare a notice resolution which shall provide and
 1825 cause the initial special assessment resolution to be published
 1826 once a week for a period of 2 weeks in newspapers of general
 1827 circulation published in Hillsborough County and said board

 1835 writing of such time and place shall be given to such property
 1836 owners. The notice shall include the amount of the special
 1837 assessment and shall be served by mailing a copy to each
 1838 assessed property owner at his or her last known address, the

 1841 subdivision in which the land is located or from such other

 1843 proof of such mailing shall be made by the affidavit of the
 1844 manager of the district or by the engineer, said proof to be

 1857 assessment resolution with its attached, referenced, and
 1858 incorporated engineer's cost report, preliminary special
 1859 assessment methodology, and preliminary special assessment roll,
 1860 along with the notice resolution, shall be available for public
 1861 inspection at the office of the manager and the office of the
 1862 engineer or any other office designated by the board of
 1863 supervisors in the notice resolution. Notwithstanding the
 1864 foregoing, the landowners of all of the property which is
 1865 proposed to be assessed may give the district written notice of
 1866 waiver of any notice and publication provided for in this
 1867 subparagraph and such notice and publication shall not be
 1868 required, provided, however, that any meeting of the board of
 1869 supervisors to consider such resolution shall be a publicly
 1870 noticed meeting.

1871 3. At the time and place named in the noticed resolution
 1872 as provided for in subparagraph 2., the board of supervisors of
 1873 the district shall meet and hear testimony from affected
 1874 property owners as to the propriety and advisability of making

 1882 assessment roll, the board of supervisors shall make a final
 1883 decision on whether to levy and assess the particular special
 1884 assessments. Thereafter, the board of supervisors shall meet as
 1885 an equalizing board to hear and to consider any and all
 1886 complaints as to the particular special assessments and shall
 1887 adjust and equalize the special assessments to ensure proper
 1888 assessment based on the benefit conferred on the property.

1889 4. When so equalized and approved by resolution or
 1890 ordinance by the board of supervisors, to be called the final

 1892 shall be filed with the clerk of the board and such special
 1893 assessment shall stand confirmed and remain legal, valid, and
 1894 binding first liens on the property against which such special
 1895 assessments are made until paid, equal in dignity to the first

 1898 facilities, service, project, improvement, works, or
 1899 infrastructure, the district shall credit to each of the

1935 (c) In addition, the district is authorized expressly in
 1936 the exercise of its rulemaking power to adopt a rule or rules
 1937 which provides or provide for notice, levy, imposition,
 1938 equalization, and collection of assessments.

1939 (14) ISSUANCE OF CERTIFICATES OF INDEBTEDNESS BASED ON
 1940 ASSESSMENTS FOR ASSESSABLE IMPROVEMENTS; ASSESSMENT BONDS.—

1941 (a) The board may, after any special assessments or
 1942 benefit special assessments for assessable improvements are
 1943 made, determined, and confirmed as provided in this act, issue
 1944 certificates of indebtedness for the amount so assessed against
 1945 the abutting property or property otherwise benefited, as the
 1946 case may be, and separate certificates shall be issued against

1956 details of such certificates. The certificates shall recite that
 1957 they are payable only from the special assessments levied and
 1958 collected from the part or parcel of land or property against
 1959 which they are issued. The proceeds of such certificates may be
 1960 pledged for the payment of principal of and interest on any
 1961 revenue bonds or general obligation bonds issued to finance in
 1962 whole or in part such assessable improvement, or, if not so
 1963 pledged, may be used to pay the cost or part of the cost of such
 1964 assessable improvements.

1965 (b) The district may also issue assessment bonds, revenue
 1966 bonds, or other obligations payable from a special fund into
 1967 which such certificates of indebtedness referred to in paragraph
 1968 (a) may be deposited or, if such certificates of indebtedness
 1969 have not been issued, the district may assign to such special
 1970 fund for the benefit of the holders of such assessment bonds or
 1971 other obligations, or to a trustee for such bondholders, the
 1972 assessment liens provided for in this act unless such
 1973 certificates of indebtedness or assessment liens have been
 1974 theretofore pledged for any bonds or other obligations
 1975 authorized hereunder. In the event of the creation of such
 1976 special fund and the issuance of such assessment bonds or other
 1977 obligations, the proceeds of such certificates of indebtedness
 1978 or assessment liens deposited therein shall be used only for the
 1979 payment of the assessment bonds or other obligations issued as

 1985 or assessment liens have been deposited in or assigned to such
 1986 fund; to foreclose such assessment liens so assigned to such
 1987 special fund or represented by the certificates of indebtedness
 1988 deposited in the special fund, after such assessment liens have
 1989 become delinquent, and deposit the proceeds derived from such
 1990 foreclosure, including interest and penalties, in such special
 1991 fund; and to make any other covenants deemed necessary or
 1992 advisable in order to properly secure the holders of such
 1993 assessment bonds or other obligations.

1994 (c) The assessment bonds, revenue bonds, or other
 1995 obligations issued pursuant to this section shall have such
 1996 dates of issue and maturity as shall be deemed advisable by the
 1997 board; however, the maturities of such assessment bonds or other
 1998 obligations shall not be more than 2 years after the due date of
 1999 the last installment which will be payable on any of the special
 2000 assessments for which such assessment liens, or the certificates
 2001 of indebtedness representing such assessment liens, are assigned
 2002 to or deposited in such special fund.

2003 (d) Such assessment bonds, revenue bonds, or other

 2009 provisions contained in this act for revenue bonds, except as
 2010 the same may be inconsistent with the provisions of this
 2011 section.

2012 (e) All assessment bonds, revenue bonds, or other
 2013 obligations issued under the provisions of this section shall
 2014 be, shall constitute, and shall have all the qualities and
 2015 incidents of negotiable instruments under the law merchant and
 2016 the laws of the state.

2017 (15) TAX LIENS.—All taxes of the district provided for in
 2018 this act, together with all penalties for default in the payment
 2019 of the same and all costs in collecting the same, including a
 2020 reasonable attorney fee fixed by the court and taxed as a cost
 2021 in the action brought to enforce payment, shall, from January 1

 2024 state and county taxes and other taxes of equal dignity with

 2026 taxes shall be levied. A sale of any of the real property within
 2027 the district for state and county or other taxes shall not

 2034 levied by the district shall constitute a lien of record held by
 2035 a municipal or county governmental unit. The provisions of ss.
 2036 194.171, 197.122, 197.333, and 197.432, Florida Statutes, shall
 2037 be applicable to district taxes with the same force and effect
 2038 as if such provisions were expressly set forth in this act.

 2040 DISTRICT; SHARING IN PROCEEDS OF TAX SALE.-

2041 (a) The district shall have the power and right to:

 2050 redeemed or purchased, by the district, together with all
 2051 penalties for the default in payment of the same and all costs
 2052 in collecting the same and a reasonable attorney fee, shall
 2053 constitute a lien in favor of the district of equal dignity with

2056 against which the taxes were levied. The lien of the district
 2057 may be foreclosed in the manner provided in this act.

2058 (c) In any sale of land pursuant to s. 197.542, Florida
 2059 Statutes, the district may certify to the clerk of the circuit
 2060 court of the county holding such sale the amount of taxes due to
 2061 the district upon the lands sought to be sold, and the district
 2062 shall share in the disbursement of the sales proceeds in
 2063 accordance with the provisions of this act and under the laws of
 2064 the state.

2065 (17) FORECLOSURE OF LIENS.—Any lien in favor of the
 2066 district arising under this act may be foreclosed by the
 2067 district by foreclosure proceedings in the name of the district
 2068 in a court of competent jurisdiction as provided by general law
 2069 in like manner as is provided in chapter 170 or chapter 173,
 2070 Florida Statutes, and amendments thereto, and the provisions of
 2071 those chapters shall be applicable to such proceedings with the
 2072 same force and effect as if those provisions were expressly set
 2073 forth in this act. Any act required or authorized to be done by
 2074 or on behalf of a municipality in foreclosure proceedings under
 2075 chapter 170 or chapter 173, Florida Statutes, may be performed
 2076 by such officer or agent of the district as the board of
 2077 supervisors may designate. Such foreclosure proceedings may be
 2078 brought at any time after the expiration of 1 year from the date
 2079 any tax, or installment thereof, becomes delinquent; however, no

 2085 the district shall require all lands, buildings, premises,
 2086 persons, firms, and corporations within the district to use the
 2087 facilities of the district.

2088 (19) COMPETITIVE PROCUREMENT; BIDS; NEGOTIATIONS; RELATED
 2089 PROVISIONS REQUIRED.—

2090 (a) No contract shall be let by the board for any goods,
 2091 supplies, or materials to be purchased when the amount thereof
 2092 to be paid by the district shall exceed the amount provided in
 2093 s. 287.017, Florida Statutes, for category four, unless notice
 2094 of bids shall be advertised once in a newspaper in general
 2095 circulation in Hillsborough County. Any board seeking to
 2096 construct or improve a public building, structure, or other
 2097 public works shall comply with the bidding procedures of s.
 2098 255.20, Florida Statutes, and other applicable general law. In
 2099 each case, the bid of the lowest responsive and responsible
 2100 bidder shall be accepted unless all bids are rejected because
 2101 the bids are too high or the board determines it is in the best
 2102 interests of the district to reject all bids. The board may

 2108 material, and machinery.

2109 (b) The provisions of the Consultants' Competitive
 2110 Negotiation Act, s. 287.055, Florida Statutes, apply to
 2111 contracts for engineering, architecture, landscape architecture,
 2112 or registered surveying and mapping services let by the board.

2113 (c) Contracts for maintenance services for any district
 2114 facility or project shall be subject to competitive bidding
 2115 requirements when the amount thereof to be paid by the district
 2116 exceeds the amount provided in s. 287.017, Florida Statutes, for
 2117 category four. The district shall adopt rules, policies, or
 2118 procedures establishing competitive bidding procedures for
 2119 maintenance services. Contracts for other services shall not be
 2120 subject to competitive bidding unless the district adopts a
 2121 rule, policy, or procedure applying competitive bidding
 2122 procedures to said contracts. Nothing herein shall preclude the
 2123 use of requests for proposal instead of invitations to bid as
 2124 determined by the district to be in its best interest.

 2126 AND MODIFICATIONS; MINIMUM REVENUE REQUIREMENTS.—

2127 (a) The district is authorized to prescribe, fix,

 2135 with any district service, facility, or system; and to provide
 2136 for reasonable penalties against any user or property for any
 2137 such rates, fees, rentals, or other charges that are delinquent.

2138 (b) No such rates, fees, rentals, or other charges for any
 2139 of the facilities or services of the district shall be fixed
 2140 until after a public hearing at which all the users of the
 2141 proposed facility or services or owners, tenants, or occupants
 2142 served or to be served thereby and all other interested persons
 2143 shall have an opportunity to be heard concerning the proposed

 2159 any class of users or property served shall be extended to cover
 2160 any additional users or properties thereafter served which shall
 2161 fall in the same class, without the necessity of any notice or
 2162 hearing.

2163 (c) Such rates, fees, rentals, and charges shall be just
 2164 and equitable and uniform for users of the same class, and when
 2165 appropriate may be based or computed either upon the amount of
 2166 service furnished, upon the average number of persons residing
 2167 or working in or otherwise occupying the premises served, or
 2168 upon any other factor affecting the use of the facilities
 2169 furnished, or upon any combination of the foregoing factors, as
 2170 may be determined by the board on an equitable basis.

2171 (d) The rates, fees, rentals, or other charges prescribed
 2172 shall be such as will produce revenues, together with any other
 2173 assessments, taxes, revenues, or funds available or pledged for
 2174 such purpose, at least sufficient to provide for the items
 2175 hereinafter listed, but not necessarily in the order stated:

2176 1. To provide for all expenses of operation and
 2177 maintenance of such facility or service.

2178 2. To pay when due all bonds and interest thereon for the
 2179 payment of which such revenues are, or shall have been, pledged

 2185 for the use of the projects of the district and with respect to
 2186 the services, systems, and facilities furnished or to be
 2187 furnished by the district.

2188 (21) RECOVERY OF DELINQUENT CHARGES.-In the event that any
 2189 rates, fees, rentals, charges, or delinquent penalties shall not
 2190 be paid as and when due and shall be in default for 60 days or
 2191 more, the unpaid balance thereof and all interest accrued
 2192 thereon, together with reasonable attorney fees and costs, may
 2193 be recovered by the district in a civil action.

2194 (22) DISCONTINUANCE OF SERVICE.-In the event the fees,
 2195 rentals, or other charges for district services or facilities
 2196 are not paid when due, the board shall have the power, under
 2197 such reasonable rules and regulations as the board may adopt, to

 2210 lawful method of enforcement.

2211 (23) ENFORCEMENT AND PENALTIES.—The board or any aggrieved
 2212 person may have recourse to such remedies in law and at equity
 2213 as may be necessary to ensure compliance with the provisions of
 2214 this act, including injunctive relief to enjoin or restrain any
