

Hillsborough County Florida

Product Review Committee Public Announcement

If you are interested in having your product added to Appendix B of the Water, Wastewater, and Reclaimed Water Technical Specifications for use in Hillsborough County Water Resource Services (HCWRS) potable, reclaimed, and wastewater systems, you must complete a product submittal package and submit for review by the HCWRS Product Review Committee (PRC). A product must be approved prior to bid advertisement to be eligible for consideration for that bid.

To begin the review, please send an e-mail to: hc-prc@hillsboroughcounty.org
You must have in the e-mail subject line: **“Begin Product Review”**

You will be e-mailed the information necessary for you to complete your product submittal package. Please read completely through the e-mails and attachments you receive and complete all of the sections in the proper format before submittal.

The PRC is scheduled to have its quarterly meeting on the last Thursday during the months of January, April, July, and October at 925 East Twiggs Street in the 3rd floor conference room. The meetings will start at 2pm.

For calendar year 2008, The PRC shall meet on the following dates:

January 31 st 2008
April 24 th 2008
July 31 st 2008
October 30 th 2008

Items on the agenda include administrative issues regarding products used in the construction of HCWRS utilities infrastructure. Also on the agenda will be the possible addition of products submitted for review into Appendix B of the Water, Wastewater, and Reclaimed Water Technical Specifications. Details may change in the event of scheduling conflicts.
